

Site overview — land use and structure

① Land use (GB 50137-2011)

- R Residential
- A Public services
- B Commercial
- M Industrial
- S Road & transport
- G Green & square
- E Water
- U Utilities

② Structure legend

- Overall design scope (provisional boundary)
- Key areas (3 sites, dashed)
- Green & blue-green frame
- Public space & slow-traffic ring

Metadata

Datum CGCS2000 | Projection Gauss-Krüger 3° zone 117°E
Central meridian 117°E | Vertical datum 1985 National Vertical
Source: maintainer provisional polygon + OSM basemap (schematic)

TITLE BLOCK

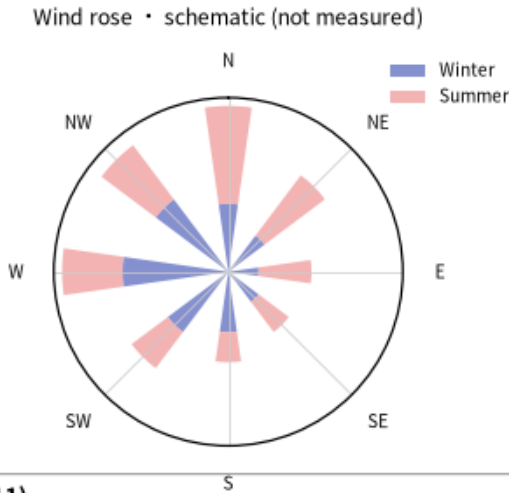

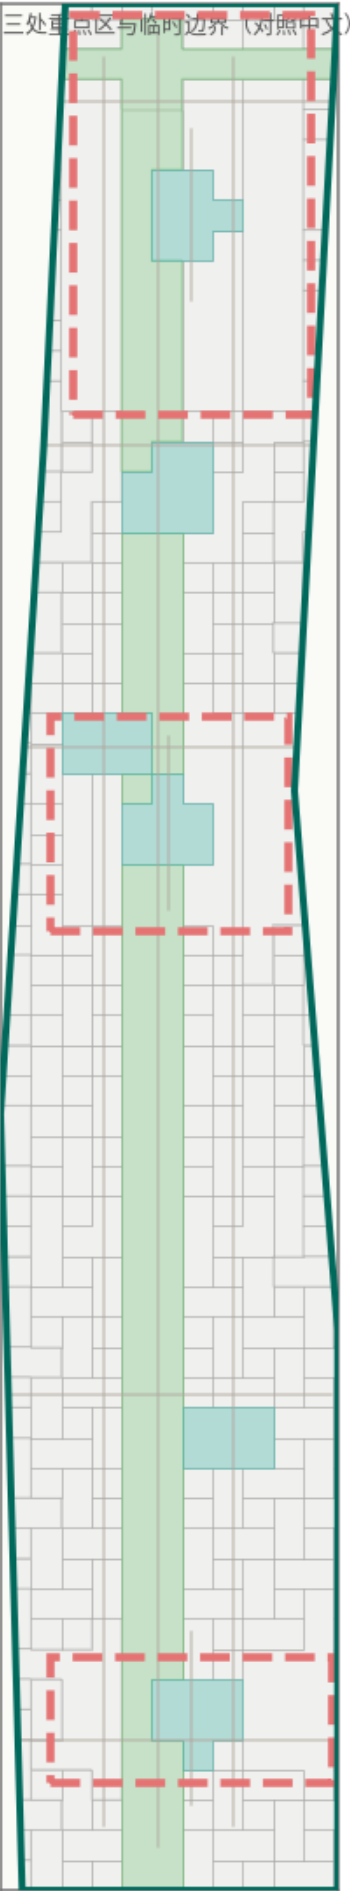

Title	Site overview — land use and structure
Figure no.	JZ-OV-01E
Scale	1:8000
Datum / projection	CGCS2000 / Gauss-Krüger 3° zone 117°E
Vertical datum	1985 National Vertical
Drafter	lzcapp (open source, no licensed seal)
Issue / data cutoff	2026-08-29 / 2026-08-28
Version / clearance	v3.0 / Public

Notes: ① Submitted geometry is the organizer's provisional rough polygon (~11.4 km²), offset ~423.5 m from the OSM-mapped Jingzhang railway heritage park — for generation, self-check and conceptual discussion only, not a redline; ② Public participation and accessibility walkthroughs are design projections, not yet carried out; ③ Colors and symbols do not represent any government commitment.
